This face mask has been manufactured and distributed during the COVID-19 Pandemic, when FDA cleared face masks are not readily available. This face mask is meant for civilian use and not for medical purposes. No claims, real or implied, are made as to the face mask's ability to prevent or reduce exposure, whether through dermal contact or respiration, to microbes, viruses, pathogens, or other agents that may cause harm to the wearer following contact or exposure. Everyone is urged to follow CDC guidelines during this crisis. Please consult www.cdc.org for information and updates.
